Live up to Life

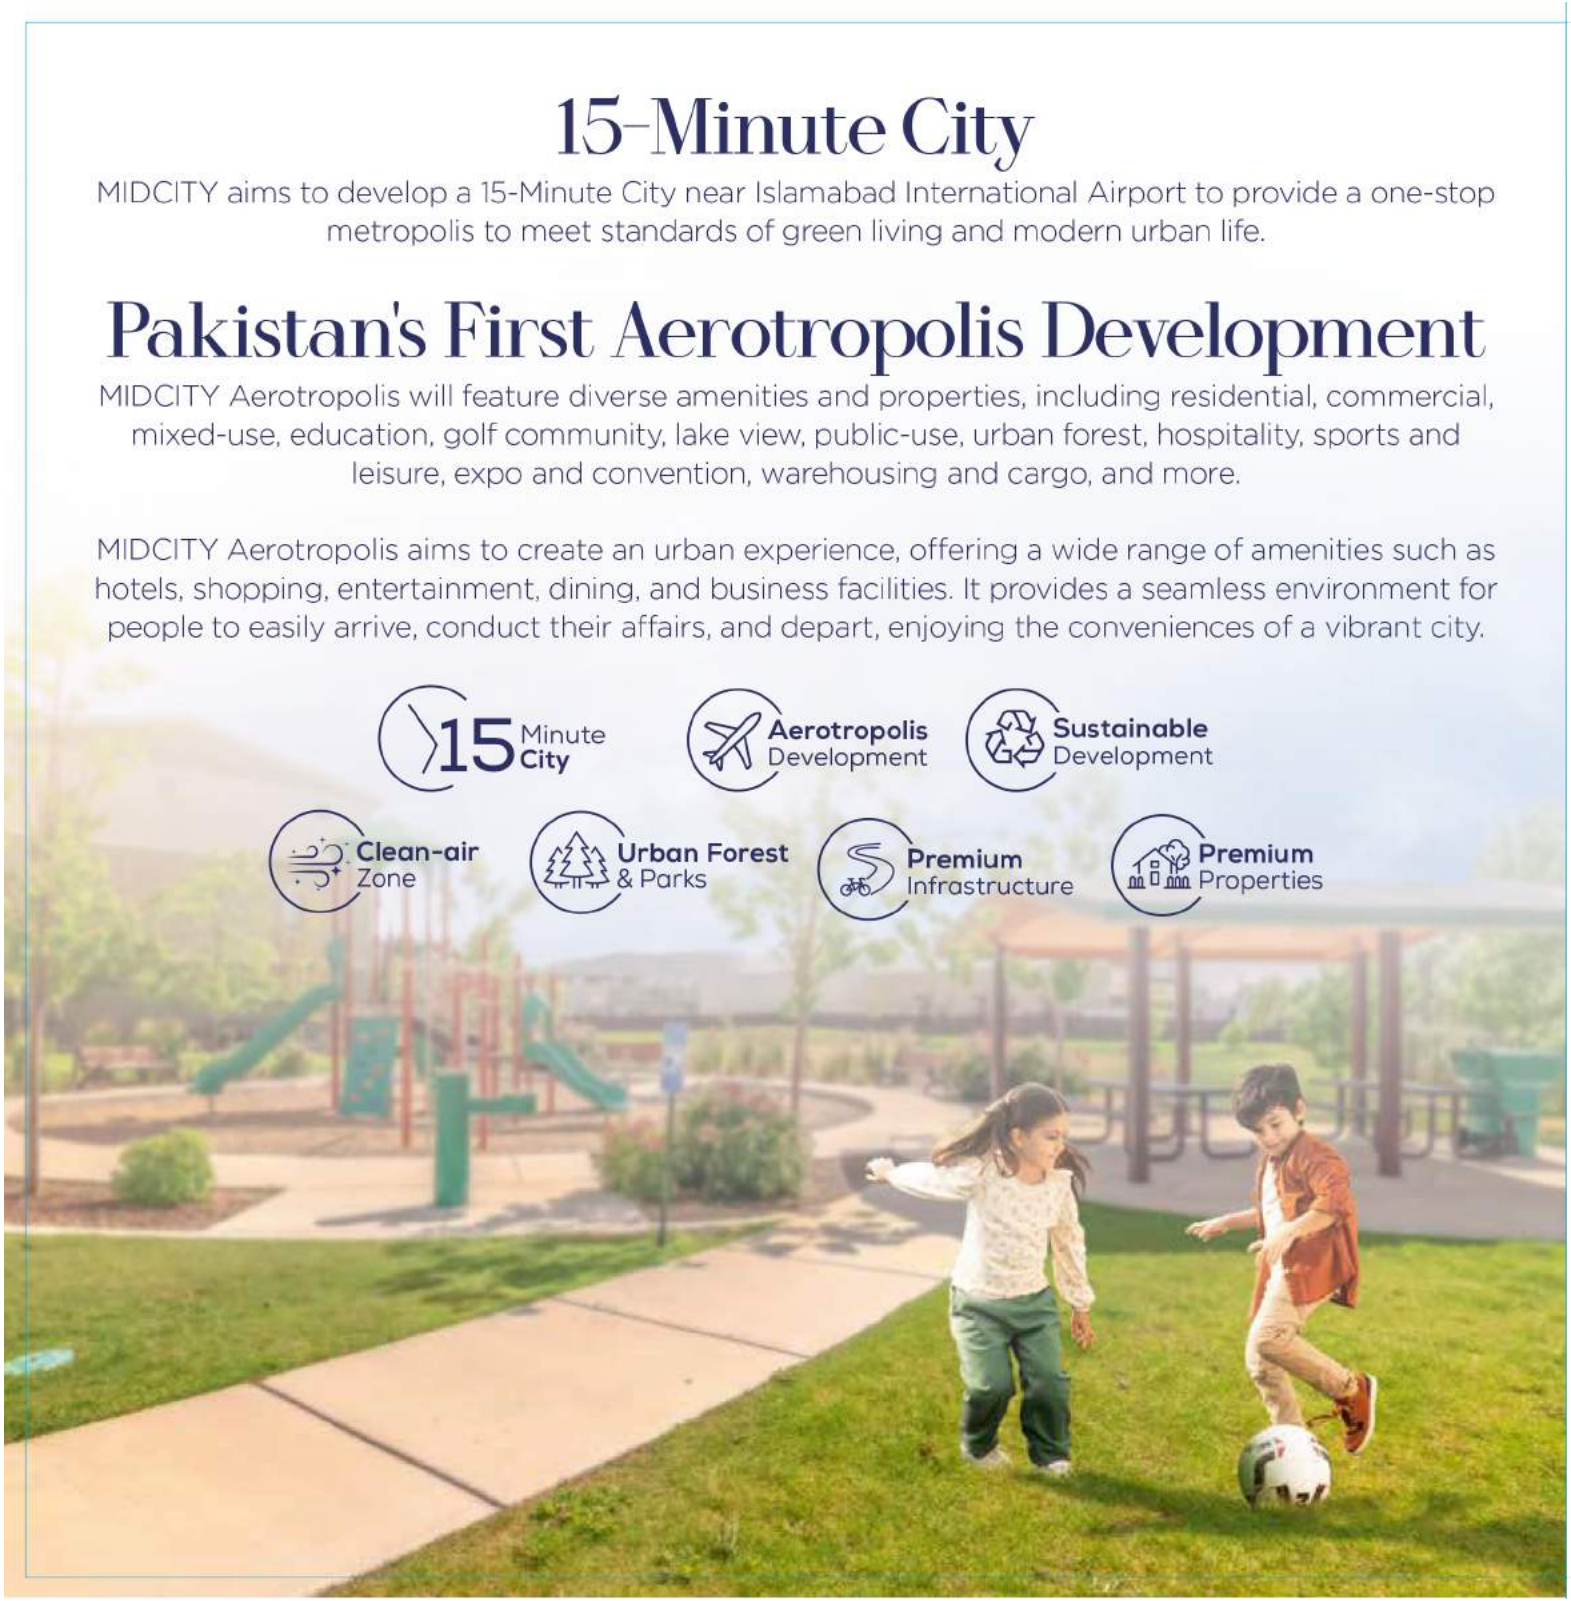

15-Minute City

MIDCITY aims to develop a 15-Minute City near Islamabad International Airport to provide a one-stop metropolis to meet standards of green living and modern urban life.

Pakistan's First Aerotropolis Development

MIDCITY Aerotropolis will feature diverse amenities and properties, including residential, commercial, mixed-use, education, golf community, lake view, public-use, urban forest, hospitality, sports and leisure, expo and convention, warehousing and cargo, and more.

MIDCITY Aerotropolis aims to create an urban experience, offering a wide range of amenities such as hotels, shopping, entertainment, dining, and business facilities. It provides a seamless environment for people to easily arrive, conduct their affairs, and depart, enjoying the conveniences of a vibrant city.

RESIDENTIAL DISTRICT

MIDCITY's Residential District features a variety of properties, including waterfront, hill front and golf-course-facing properties. Designed with communal spaces, safe passages and a sense of community, it's a perfect place to call home.
